CREATED BY 15 YEAR OLD ANDREW SUTHERLAND

If you sign up for free with GlassGiant.com, we'll host the pictures you make and give you the code to include them in your blog or website! If you have already signed up, log in now.

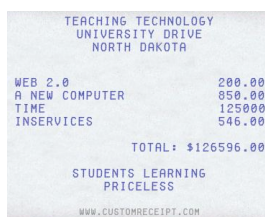

LEARN THE TERMS EASILY AND THOROUGHLY

Web 2.0 tools are numerous on the internet.

GlassGiant.com is another tool that can be very useful in helping students be creative while learning.

GlassGiant.com offers quite a few web 2.0 tools that create fun tools that teachers can incorporate with their lessons.

Custom Receipt maker: <http://www.customreceipt.com/index.php> is a tool in which you can create a custom receipt image.

Voki <http://www.voki.com/mywebsite.php> Voki is program in which you can create an avdutar and then have the avdutar emailed to you or your students. Say hello or give directions on a project.
