economics, busi-  
ness education,  
jobs, careers, and  
other everyday real  
life skills.**

*"Many young people graduate without a basic understanding of money and money management, business, the economy, and investing. We hope to help teachers, parents, individuals, and institutions teach these skills, while reinforcing basic math, reading, vocabulary, and other important skills."*

- Money Instructor®

## CAREER, WORK, AND BUSINESS LESSONS

Teach and learn basic career, work, and business skills.

Topics include re-  
sume writing, filling  
out job applications,  
interviewing, writing  
business letters,

communication, pub-  
lic speaking, business  
math, career plan-  
ning, accounting,  
earning money skills,  
and more.

Resources include  
lessons, lesson plans,  
and worksheets. We  
also have included  
informative articles  
and helpful advice for  
learning and improv-  
ing these skills.
